

Risk Factors – Investments in Mutual Funds are subject to Market Risks. Read all scheme related documents carefully before investing. Mutual Fund Schemes do not assure or guarantee any returns. Past performance of any Mutual Fund scheme is not indicative of, nor does it guarantee, future performance. There can be no assurance that the investment objectives of any scheme will be achieved.

Before making any investment decision, investors should carefully evaluate all scheme-related features, including exit loads, expense ratios, risks, and other applicable costs and charges. Investors should refer to the latest Scheme Information Document (SID), Key Information Memorandum (KIM), and other relevant documents issued by the Asset Management Company (AMC). We distribute and facilitate investments only in Regular Plans of Mutual Fund schemes. As a Mutual Fund distributor, we receive trail commissions from Asset Management Companies (AMCs) on investments made through us. The details of such commission are disclosed to clients at the time of investment.
